

# FAIR OAKS RANCH C.C.

## GOALS

Fair Oaks Ranch C.C. wanted to automate the process of reserving courts. Since the club has a lot of members, the process of reserving became tedious. They wanted to offer a modern, feature-rich platform with regular updates and communication options to keep the community connected.

## SOLUTION

Fair Oaks partners with Clubs Caddy to optimize their user experience with an easy process of reservation. Now, the members can reserve court in less than 5 seconds using their mobile devices. Clubs Caddy team understood the requirements and delivered a system that reduces dependencies on phone calls.

The ability to book courts from a phone with a couple taps of screen saves untold amounts of time for directors and members alike.

## RESULTS

Apart from the enhanced member experience, Fair Oaks Ranch has seen an overall satisfaction among their club community.

“
